

# Don't throw away Empty Laser & Inkjet Cartridges

## Support Two Important Causes At the Same Time!

The Friends of Dickinson Square, a non-profit organization, is collecting empty (used) inkjet and laser toner printer cartridges for recycling.

-  All recycling proceeds benefit Dickinson Square Park.
-  Empty cartridges are recycled rather than dumped into landfills.
-  It's easy! Bring your cartridges to the building in the Square center.

Bring your empty printer cartridges to the Parsons Building, located in the middle of the park, and deposit them in the recycling bin. **The Parsons Building is open the third Thursday of every month from 7:00 pm - 8:00 pm** during general membership meetings. You'll be helping to protect the environment and funding improvements to our beautiful park.

So stop by to drop off your cartridges, become a member of the Friends of Dickinson Square group, or just join us for a meeting.
